Ari,

Our clients are working hard on getting you answers to your interrogatories now. I will email them now and then follow up so I can give you a better idea and realize you need a drop dead date. Many of our responses needed to be revised because of the FTC action. I believe we can get you documents and responses to everything this month. We answered Mr. Meissner's first requests this last Friday because he only asked for a few things and little to none ESI (which Modus is still processing - so the documents have not been produced). I will follow up here shortly. Thanks.

Michael

Michael:

We spoke last week about the status of BFL's discovery responses. You mentioned you would let me know the date BFL expects to be able to serve responses. Can you please provide this date?
